

Prayer Points

Be joyful in hope, patient in affliction, faithful in prayer Romans 12:12

Ahli Arab Hospital, Gaza (Director: Suhaila Tarazi)

Please pray for our partner, Al-Ahli Arab Hospital. Pray that the hospital will be able to continue to recommence functioning. Please pray for the safety and security of all staff and volunteers. Pray they receive the medical supplies they desperately need, such as fuel, hygiene kits, food, and portable drinking water for patients and their families. Pray for healing and protection for all those critically ill patients who remain at the hospital. Please pray for peace.

Spafford Children's Center, East Jerusalem (CEO: Shahd Sourì)

Please pray for all children undertaking trauma therapy at Spafford; pray it is a healing time for them, where they can process their experiences and emotions and find hope and healing.

Anglican Church Melanesia, Vanuatu (Project leader: Ethel George) & **Anglican Church of Polynesia, Fiji/Tonga** (Project Manager: Karen Chute-Delaivoni)

Please pray for all our partners in the Pacific as cyclone season begins. Approximately ten tropical cyclones are predicted to impact the Pacific during this cyclone season. Communities have been preparing all year to ensure all community members can find safety quickly. Pray that the cyclones will not be destructive and that everyone can evacuate to their shelters swiftly and safely.

Anglican Church Melanesia, Solomon Islands (Director: Dr Abraham Hauriasi)

Please pray for our partner, the Anglican Church of Melanesia, Solomon Islands, as they continue to partner with People with Disabilities in their communities. Give thanks for community sessions raising awareness about disability and join us as we pray for continued transformation of hearts and attitudes and uptake of practices that make communities a welcome place for all.

Diocese of Nampula, Mozambique
(Project Leader: Muassite Miguel)

Give thanks that families in the Dioceses of Nampula are now accessing formal health services and women in the community are giving birth at health centres; pray that the promotion of health facilities will continue to be effective.

Anglican Church of Kenya, Mt Kenya West Diocese
(Project Director: Millicent Wambugu)

Give thanks to God for sufficient rainfall in areas where our partner works; give thanks that this has brought respite from the drought. Please pray that the Anglican Church of Kenya, Mt Kenya West Diocese, can continue to build resilience to the increasing impacts of climate change.

Afar Pastoralist Development Association (APDA), Ethiopia
(Director: Valerie Browning)

Please pray for the drought that impacts food security in the region. Pray that rain would come that would help rejuvenate grazing land and that those in desperate need of food would be assisted. Please pray that the cholera outbreak impacting communities will end. Give thanks that APDA has begun vaccinating against measles, whooping cough and seven other deadly diseases.

Cathedral Relief Service (CRS), India
(Director: Rig David)

Currently, many girls in the area do not attend school, as they are required to stay home to care for their younger siblings. Please pray that their parents will allow them to attend CRS Education Centres and that those already enrolled will not drop out.

LEADS, Sri Lanka
(Contact: Diordre Moraes)

Give thanks that two self-groups used some of the money they saved to support their villages. One group is providing mid-day meals to malnourished children under five years of age. Pray that more groups can save enough money to support their families and villages.

PNKS, Cambodia
(Program Development Manager: Mr Leak Chowan)

Please pray for our partner PNKS in Cambodia as they seek to recruit for a key project leadership position in a challenging remote area.

South Sudan Development and Relief Association, South Sudan
(Director: Light Wilson)

Please pray for Light and his team as they work to improve Agroforests in the Diocese of Mundri. This work helps to ensure local farmers' livelihoods are secure and they are building their resilience to the changing climate.

Wise Choices for Life (WCFL)
(Country Director: Joyce Kidulu)

Please pray for more resources to meet the high demand for the WCFL program.

Australia

Give thanks for the AOA Africa Partner Learning Forum held in Kenya recently, which brought together partners from Kenya, Uganda, Mozambique, and South Sudan and staff from Anglican Overseas Aid. The forum deepened relationships with all partners, enriched learning and professional practice around climate resilience, and developed a collective climate action plan for the African context. Pray that all learned can be used effectively to help their communities with climate adaptation and mitigation.
