

# Pray with us

*Be joyful in hope, patient in affliction,  
faithful in prayer.*

**Romans 12:12**

## **Ethiopia**

Dear Father,

Be with our brothers and sisters in Tigray, Ethiopia, as they face ongoing conflict and insecurity. We pray they would feel your presence with them through hardship.

We thank you for the faithful service of Anglican Overseas Aid's partner in this region: the Ethiopian Anglican Church Social and Development Organisation. Help them to continue serving communities, even as services such as internet, banks and transport deteriorate.

Father, we thank you that even in difficult circumstances, you bring transformation. Thank you for increases to drinkable water, better yields of animal food, and a decreased risk of floods and landslides, through the church's work.

Dear Lord, please continue to care for the people of Tigray. Protect and sustain them, we pray.

In Christ's name. Amen.

## **Vanuatu**

Dear Father,

We pray for Anglican Overseas Aid's partner the Anglican Church of Melanesia, as it seeks to protect women, children and those with a disability, before, during and after natural disasters. Please transform harmful attitudes towards women, girls and people with disabilities through the work of the church.

Be with the people of Vanuatu as they face high risk of earthquakes, landslides, floods, cyclones, tsunamis, and volcano eruptions. Please build resilience to these challenging circumstances, and bring healing to the region. We pray for continued recovery from the earthquake which hit Vanuatu in December.

In your son's name, Amen.
