

Pray with us

‘The Lord God took the man and put him in the Garden of Eden to work it and take care of it.’

Genesis 2:15

Green Anglicans, Southern Africa

Dear Heavenly Father,

Thank you for the responsibility you’ve entrusted us with to care for the earth and everything in it.

Today we pray that you bless the Green Anglicans in Southern Africa who are working to promote good stewardship of our environment. Guide them as they make a difference for those suffering the effects of drought, flood, and wildfire. Grant them wisdom and favour as they mobilise churches to act on climate change.

Let the Green Anglicans’ voices be heard, and open the ears and hearts of those with power to make impactful, and good decisions.

Today we particularly want to lift up Rev. Aurelio and Charles Bakolo to you, who are attending the UN Climate Change Conference in Belém Brazil. We pray for favour with their travels, with their visas, and everything practical surrounding this trip. Use them for your kingdom and your glory.

In Jesus mighty name we pray. Amen.

Wise Choices For Life, Uganda

Dear Heavenly Father,

Thank you for Wise Choices for Life and for the crucial work they are carrying out in Uganda. Today we ask that you give strength and wisdom to the trainers promoting reproductive health. Open doors for them to continue teaching their life skills to even more families.

Bless the work of the leadership and guide them with your Holy Spirit as they lean in and trust you with their every decision. As new projects are being implemented, we pray that they will transform lives and glorify you.

We pray for the 'Village Saving and Loans Association groups', and ask that you help their businesses flourish and thrive. Give them the wisdom of Solomon and Sheba so that they may become a blessing to others.

We also ask for a peaceful political transition in the entire country, and for all leaders to act with dignity and respect for their opponents. In Jesus' name we pray. Amen.
