India - Cathedral Relief Service

Dear Heavenly Father,
Thank you for all you do in India through the Cathedral Relief Service. Thank you for the children and women who are rescued, thank you paving a way for them out of oppression.

Today we ask that you bring your healing and freedom to all women who have been trafficked and abused. We ask that your salvation and righteousness break forth like a new dawn, and for your light to conquer the darkness.

Let the women and children see your faithfulness as you heal wounds and traumas. Let their lives be fully redeemed, to your glory. Strengthen those who serve, so they can continue the important work you have called them to do.

We also ask that you provide all necessary resources to the Cathedral Relief Service. Bless them with your abundance and your favour, in Jesus' name we pray. Amen.

Cambodia, Ponleu Ney Kdey Sangkhum (PNKS)

Dear Heavenly Father,
Thank you for our partner in Cambodia. Thank you for their dedication and faithfulness in supporting vulnerable communities. Thank you for all the positive changes they have seen in the lives of youth and farmers.

Today we come to you and ask for peace between Cambodia and Thailand. Make it possible for people to return home and for children to go back to school.

We ask for wisdom and strength as our partner coordinates different projects, including those focusing on youth empowerment, people with disabilities and climate-smart agriculture.

Grant your workers resilience, motivation and peace. In Jesus' name we pray, Amen.
