

Pray with us

*Be joyful in hope, patient in affliction,
faithful in prayer.*

Ethiopia, Afar Pastoralist Development Association

Dear Heavenly Father,

You are a God of compassion. A God of mercy and abounding love. You are not far away from us and your mercies never fail. We thank you for your faithfulness to our partner in Ethiopia. We thank you for your blessings, your protection, and your favour.

Today we come to you and ask for peace to prevail. We ask for threats and fighting to cease. Please grant wisdom to the country's leaders - let decisions made by those in power be sound.

Help families find a way out of poverty. Grant them the tools and the opportunities they need to build a future for themselves and their children. Protect them from disasters, from drought and floods. Give them peace, and let them know that you are indeed a God of compassion and mercy.

In Jesus' name we pray, Amen.

Diocese of Nampula, Mozambique

Dear Heavenly Father,

Thank you for our partner in Mozambique, the Diocese of Nampula. Thank you for their faithful work and their servant hearts. Thank you for everything you have already done, through and with them.

We come to you today and ask for your blessing, for your protection and for your miracle. You see the families impacted by cyclones and disease. You see the children falling asleep hungry. You know of the violence and unrest impacting so many.

Bring healing, health and hope to Nampula. As you used five loaves and two fishes to feed over 5,000 people, create a miracle also in Mozambique.

Renew the strength of our partner and their volunteers. Bless them for the work they are carrying out. Help them to not grow weary while serving you. In Jesus' name we pray, Amen.
