

# Pray with us

*God is our refuge and strength.*

*A very present help in times of trouble.*

**Psalm 46:1**

## **CAN DO, Solomon Islands**

**Dear Heavenly Father,**

Thank you for being our refuge and our strength. Thank you for being a present help in times of trouble. Today we come to you, lifting up Anglican Overseas Aid's partners in the Solomon Islands. You know them all. You see the work of their hands and how it glorifies your name.

In the wake of Tropical Cyclone Maila and the devastation it brought, we ask that you bring peace and prosperity. Healing and hope.

Bless the volunteers who serve communities affected by the disaster. Grant them discernment, strength, and favour.

Bless church leaders across the country with wisdom and grace. Help them work in unity, and see fruitful results from their efforts.

Bless the families who have suffered. Those who have lost homes, livelihoods, food sources or access to health care. We ask that you restore, rebuild, protect and strengthen.

Let joy spring out of sorrow. Let light pierce darkness. And let the weak say 'I am strong' - in Jesus' name we pray. Amen.

## SSUDRA, South Sudan

**Dear Heavenly Father,**

Thank you for Anglican Overseas Aid's partner in South Sudan. Thank you for the important work SSUDRA carries out. As they serve people in flood and conflict affected areas - deliver food, provide financial aid and plant trees - we ask that you hold your hand over them. Protect them, guide them, bless them.

We ask for peace and reconciliation in South Sudan. Bring unity and forgiveness to divided tribes. Let border disputes between Uganda and South Sudan be resolved with wisdom and grace.

We lift up refugees and internally displaced people. Provide for their every need and open up doors for them to safely return home.

In Jesus' name we pray, Amen.
