

Pray with us

“And the Spirit of God was hovering over the face of the waters.”

Genesis 1:2

Season of Creation

Dear Heavenly Father,

Thank you for the beautiful world you have created. Thank you for the sky with its sun, moon and stars. Thank you for valleys, mountains, hills and canyons. Thank you for forests, meadows and endless plains. Thank you for water – for ocean waves, trickling streams and roaring waterfalls. Thank you for Living Water, offered to us through Jesus Christ.

In this *Season of Creation*, we come to you and ask for wisdom to be good stewards of what you have made. Help the world’s leaders make ethical decisions, motivated by what is just and pleasing to you. Help us, as the body of Christ, to make small everyday choices that honours you. Choices reflecting your care for all you have created. Send your Holy Spirit to advise, advocate, inspire and guide.

We also ask that you bless and strengthen AOA’s partners who are fighting the good fight on the frontlines of climate change. Protect families and individuals suffering the consequences of drought, cyclones, floods and storms. From a human perspective the challenges ahead might look too big to overcome, but in you, all things are possible. Thank you for the hope we have in you.

In Jesus’ name we pray, Amen.

Green Anglicans, Southern Africa

Dear Heavenly Father,

Thank you for AOA’s partner in Southern Africa, the Green Anglicans. Thank you for their commitment and dedication to be good stewards.

In this *Season of Creation*, we ask that you bless and grow the Green Anglicans ecumenical work. Help them reach further and stand in unity with all believers who care for planet and people.

Help the Green Anglicans coordinate their efforts, prioritise according to your will, and see the fruit of their labour. Bless those who stand up for what is right and continue to call others to care for our environment. Inspire and strengthen them and fill them with hope.

In Jesus’ name we pray, Amen.
