

Pray with us

I lift up my eyes to the mountains – where does my help come from? My help comes from the Lord, the Maker of heaven and earth.

Psalm 121:1-2

International Nepal Fellowship, Nepal

Dear heavenly Father,
Thank you for being a merciful and compassionate God. Thank you for helping us through times of heartache, pain and loss.

Today, we bring Nepal before you, where people are still in the midst of disaster. Floodwaters and landslides have torn through homes, roads and villages. People are missing, many are injured, and families are grieving.

Lord, we ask that you make a way where roads and bridges are gone. Strengthen everyone searching for family members and friends. Protect every aid worker serving communities by providing supplies and medical care.

Let shelter, clean water, food and essential supplies reach people without delay. Bring the hope and light that only you can provide, even in this time of loss. Help people turn to you – the one who heals, provides, cares and saves. In Jesus' name we pray. Amen.

All AOA partners working in areas of conflict and natural disasters

Dear heavenly Father,

Thank you for being a God who is close to the broken-hearted. Thank you for being a God who answers us when we seek you.

Today, we lift up all of AOA's partners who work in areas affected by conflict and disaster – the people who go in when others flee; the men and women who provide comfort, safety, care and shelter while bombs fall and floodwaters rise. Please protect them, Father. Give them strength. Guide and encourage them, and fill them with your Holy Spirit.

With every step our partners take in obedience to your calling, give them hope and guidance. And at the end of each day, give them rest. Help them lay all their worries at the feet of Jesus, because you are the one who saves those crushed in spirit. You are the one who delivers. In Jesus' name we pray. Amen.
