

A prayer for Gaza

Dear heavenly Father,

Thank you for being a God of compassion. Thank you for being close to the brokenhearted and for saving those who are crushed in spirit.

As we pray for Gaza today, we ask that you grant wisdom to those in power and protect the innocent. Please bring forth justice, peace and reconciliation.

Wipe the tears from the children's faces, comfort the women who are mourning and provide hope to the men who feel lost. Provide strength, comfort and healing to all who are hurting.

As the staff of Al-Ahli Hospital continue to serve, in the midst of inconceivable challenges, please uphold them. Give them strength and endurance. Bless their faithfulness and the work of their hands. Provide for them a safe place to rest and be with their families.

In the name of Jesus Christ we pray. Amen.
